Forward

Years ago the Lord called me as an intercessor and warrior for Him. I have learned over the years that the enemy is running rampant over our land. Scripture tells us to take up spiritual weapons of war yet much of the church has been using carnal weapons to fight a spiritual battle. The problem with this is that we cannot win this way. Over cities and states there are spiritual rulers of the enemy that are not only blocking God's power from descending but are effecting people in many ways. God gave to us in His Word, the keys to the kingdom. Many do not even know that there is a war. Many have gotten the keys and just throw them down as this is not something that they would like to do.

The keys unlock and lock doors in the spirit realm. The keys are literally the key to victory for the church. We just cannot fight a spiritual war with natural weapons. We are not gaining any ground. The purpose of this book is to hopefully educate those who read it about the power of God that is available to each of us. We are not supposed to lose. We are more than conquerors, if we will just fight God's way. It is not about what we do; it is about what the Holy Spirit desires to do through us. If we can just humble our self and give up our own plans and agenda and allow the Holy Spirit to war through us, we will see major changes in this world.

When things got tough I use to just get upset with the Lord. Little did I know at that time it was not His fault. I was upset at the wrong one. Once He revealed to me that the devil is real and behind so many things, it changed my outlook. No I do not go demon hunting as some do. Yet, when the Holy Spirit leads and empowers me much warfare will take place. I just pray that God's army will rise up and take up their spiritual weapons of war so that the church can win and walk in power the way that it is supposed to.

America, It Is Time

**America, it is time to fight
With spiritual weapons in your hand
Are we going to let the spirit of fear?
Rule and destroy our land?**

**God gave to us many weapons
Which are written in His Word
It is time to dust our Bibles off
And take up our mighty sword**

**Our weapons are not carnal
Which were given to fight our spiritual foe
But unless we use God's weapons of war
The fears will never go**

**Fear is a strange thing
As it will cause men to react
Though if we fight in faith God's way
We will always pro-act**

**We have allowed this spirit to tell us what to do
Instead of us telling it, where to go
We don't have to allow this thing
We don't have to be tossed, to and fro**

**Satan really has no power
Unless we believe his lie
The problem is that we have put God aside
And on His Spirit we do not rely**

**It is time for America to make a stand
And worship Jesus once again
This country was founded on God
This is our heritage, and our origin**

**It's time to tell our enemy to go
In the Name of Jesus Christ our Lord
And get back to our foundations of
Trusting and believing in, God's power and Word.**

Scripture Reference.

2Co 10:4

**For the weapons of our warfare are not carnal, but mighty through God to
the pulling down of strong holds KJV**

I'm In It for Me

**I'm in it for me
I don't care about souls
I just care about what I can get
I'm in it for me, don't you know**

**I don't care about preachers
All they want is my gold
They should just get a job
And leave my money, alone**

**I don't care if people are hurting
I don't care if they are cold
I just tell them to go get warm
I'm in it for me, don't you know**

**I don't care about Heaven
Because I didn't get to stay
I don't care about what God wants
Or really what He has to say**

**I had to work hard for what I have
Why should others not have to too?
They think that intercession and warfare is work
And that hearing from the Lord is cool**

**I have my own agenda
I can't be concerned about anything else
I have plans I want to do
I just care about myself.**

**Signed
The devil**

More Than A Conqueror

**Sometimes we must just make our stand
Though the enemy shoots every dart
We must remember who we are
And that God will never, from us part**

**We must just proclaim to the devil
I shall not die but live
My destiny is in Heaven
Since Jesus, His life for me did give**

**Your demon does not scare me
For I know that you are only a spirit of fear
My destiny is sealed with Jesus
I walk by faith and my victory is near**

**Even if you could kill this body
My spirit man will forever live on
Since God is on my side
My victory has already been won**

**I will enter into
All of my promise land
For I walk with Jesus
And none can deliver out of His hand**

**Satan if you have a problem with this
Then to God you better talk
For I am going on with Jesus
By faith I am going to continually walk**

**I am more than a conqueror
Through Jesus Christ my Lord
For I know that my God is faithful
And will always confirm His Word.**

Our Battle Cry

**Mankind is in a battle
The war is raging on
The enemy of our soul
Thinks, that he has won**

**It's not a natural battle
For it's for the souls of men
Thank God for the Holy Spirit
Who gives us power, to win**

**We must take up the whole armor of God
As we must make our stand
For satan has been ravishing
Throughout our world, and land**

**We must take the sword of the spirit
This is the rhema Word of God
With the gospel of peace
Our feet must be shod**

**We must take up our shield of faith
And quench all satan's fiery darts
We must walk in truth and righteousness
If we are going to do our part**

**We must fight in the spirit
And deal with the principalities
We must pull down the strongholds
Of all the enemy**

**We need to learn to praise
And put the enemy to flight
We need to worship the King of King's
And just believe, that what He said, is right**

**May the Church be awakened
May the scales come off their eye
May the Church be filled with God's Glory
May this be our battle cry.**

Scripture Reference

Ephesians 6:11 Put on the whole armor of God that ye may be able to stand against the wiles of the devil. KJV

Our Power

**There is a war going on
In the heavenly realm
The enemy is fighting
To keep God's power from coming in**

**The church must learn
To rule and reign
Instead of being defensive
New ground they must attain**

**There are spirit's ruling
Over cities, states and lands
They have no power
When the warriors fight and stand**

**There are blinders on people's minds
Lest they see with spiritual eyes
There are strongholds of all kinds
And they have believed satan's lies**

**Jesus gave to us the keys
If we will just pick them up and fight
We must bind the principalities and powers
And all the demon spirits of the night**

**When we have gods before our God
Such as rulers in the spirit realm
Our blessing can never come
As God will never rule with them**

**God gave to us such power
Through His Holy Spirit
To rule and possess our land
Are there any that have ears to hear this?**

Scripture References

2Ti 1:7 For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

2Co 4:4 In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God should shine unto them.

Lu 10:19 Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

Eph 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Mt 16:19 And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.

Spirit of Fear We Bind You

Fear, what is it?

It is just a satanic attack

It is a weapon of the devil

To steal and bring us lack

It takes our peace

And kills our faith

It gets us off course

So that we cannot run our race

It will cause us to react

Not from a sound mind

It will drain us of our love and power

To do this, it was designed

God said that He didn't give to us

That spirit of fear

He gave to us power and love

And a sound mind, that is clear

We need to separate the fear from our self

For a demon spirit is all that it is

Just take authority in Jesus Name

And command it to leave your premises

Just command it to go in Jesus Name

It must not stay near

When with authority we speak the Name of Jesus

The demon spirit will run, in fear

**Over serpents and scorpions
Over all the power of the enemy
God did give to us the authority
And that nothing would harm, you and me**

**The battle has already been won
Jesus gave to us the authority
We must take up our weapons of war
And go on the offense, to win the victory**

**As you read the final lines
Say it with the authority of God's Word
If one will put a thousand to flight
What will happen if thousand's take up God's sword?**

**Spirit of fear we bind you
In the Name of Jesus Christ our Lord
We command that you loose your hold from America
We command you in Jesus name, to go!**

**We take authority over all the attacks
Which have come to kill, steal, and destroy
We bind their power to harm us any more
We take back our peace and joy.**

**In the mighty Name of Jesus Christ our Lord
Amen**

Scripture Reference

**2Ti 1:7 For God hath not given us the spirit of fear;
but of power, and of love, and of a sound mind.**

The Battle of the Mind

**Many people have no peace in their mind
Because of the thoughts that they do allow
Their mind is full of things against the knowledge of God
And to the lies of the enemy they do bow**

**We are told to cast down the imaginations
That from the knowledge of God they are against
An imagination is just a thought in our mind
That is a lie of the enemy to which we became convinced**

**The mind is the place of decision
Whether to choose a truth or lie
So how can we walk victoriously?
When God's Word of truth we deny**

**The body does not act independent
It does what the mind tells it too do
The flesh cannot be in control
If the mind is filled with what is true**

**Our mind should only listen
To our spirit from deep within
Our spirit receives from the Holy Spirit
Words which will cause us to win**

**An evil spirit will attack our mind
And try to get us to accept his lie
If we entertain his thought and act
Then in some way he will cause us to die**

**Our mind is the battlefield
This where the enemy will attack
If he can get us to believe his lie
Then in that area we will then lack**

**God told us on what to think
So a blueprint of right thinking He did give
If we will just apply what He did say
Then we will find peace and live**

**Until we read God's Word
Then the truth we will not know
We can never expect to find new peace
We can never expect in Jesus to grow**

**If we were to ask many people this question
God's Word, have you read?
We would find that many have no foundation of truth
So no wonder the enemy plays with their head**

**The only way to know what thoughts to think
Is to get into God's Word and read
You cannot recognize a lie for a lie
Unless God's truth you heed**

**Our walk is not victorious
When walked in the vanity of our mind
Feelings and emotions many times we must ignore
If we are to walk in God's power divine**

**The spirit bears witness to truth
So a lie from truth we should differentiate
If we will just listen to our spirit
Then we will gain Heaven's fate**

**A lie will take us to the right and left
Our path will never be straight
The truth will take us on the straight and narrow way
That will only lead us to Heaven's gate**

**The battle of the mind is very real
So determined we must be
To allow the thoughts that tend to life
If we are to defeat our enemy**

**If we can win the battle of our mind
We will find a new life of victory
We will be able to enter in to all God has
And be as Jesus, and set the captives free.**

Scripture References

2 Cor 10:5 Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

Php 4:8 Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.

The Dividing Line

There is a dividing line that is being drawn
Between the natural and the spiritual man
It is causing a great division
Since the natural mind, cannot understand

The dividing line becomes more evident
As deeper in the things of the Spirit we see
For we were once, in our natural state
And our spirit, was blinded by carnality

In following Jesus, there is a cost
Which all are not willing to pay
Yet for the world to become what God desires
Walking by God's Spirit, is the only way

To go on with Jesus, sometimes we must turn our back
From the ones that refuse to hear
Many people still desire a carnal life
So closed, are their spiritual ears

They still think that their life is in their hands
The price for Jesus, they are unwilling to pay
Though we go deeper, in the things of God
Others will never go, as in their natural they want to stay

The deeper we go, the further the gap
Between the natural and spiritual man
The world and its luster, mean no more to us
As we desire only, to fulfill God's plan

**It is better not to say a word in defense
Words sometimes will only bring contention
Jesus didn't defend himself before Pilate
As He knew that Pilate could not understand, God's intention**

**The natural man cannot receive things of the Spirit of God
For they are but foolishness unto him
The things of God are spiritually discerned
And will bring to the spiritual man, life and freedom**

**In the Body of Christ
There is a dividing line being drawn
Will you go where Jesus wants?
Which side of the dividing line will you be on?**

Scripture References

1Co 2:14 But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned.

The Keys

**Jesus, You took away the keys
Of death, hell and the grave
The enemy no longer has them
For those keys, to us, You gave**

**You gave to us the keys to the kingdom
You gave to us such power
That we can stand strong in You
Even in our world's dark hour**

**Just as death could not hold You
When in the tomb You were placed
Death has no power over us anymore
For in Your power, we have been raised**

**We no longer have to fear death
As we know where we shall go
We have passed from death to life
When Jesus, we come to know**

**You came to give us life
So abundantly
Not based on outward things
You set our spirit free**

**We no longer have to fear
Any man or any thing
You have given to us power, love, and a sound mind
And a joyous song, to sing**

**Even in the midst of all the storms
That life seems to bring
Peace and joy comes into our hearts
As the telephone from Heaven, does ring**

**You call our name
And say peace be still
Just know that I am God
Your life, I will fill.**

Scripture Reference

**Mt 16:19 And I will give unto thee the keys of the kingdom of heaven:
and whatsoever thou shalt bind on earth shall be bound in heaven: and
whatsoever thou shalt loose on earth shall be loosed in heaven.**

The Mind

**The purpose of the mind
Is not to stew and fret
It is not to be weighted down
By all the things we want to get**

**It is designed
To only make decisions
It was not meant to judge
Or promote strife and contention**

**To walk in the spirit
Our mind needs to stay clear
Our eyes need to be open
We must hear, through our spiritual ear**

**The mind when full
Tries to drown out God's voice
We can't hear Him speak
When it's confusing to make a choice**

**In Philippians 4:8
We are told to think on certain things
When we think correctly
God said, peace to us that He will bring**

**God's peace passes all understanding
So our mind will be at rest
It won't be working overtime
It won't be a hornet's nest**

**God said we are to not walk
In the vanity of our mind
When we do that
God's Holy Spirit, we bind**

**God has for us exceedingly abundantly above all
That we could ever ask or think
So when we trust in our own mind
With the Holy Spirit, we will not link.**

Scripture References

Philippians 4:

8 Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.

9 Those things, which ye have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you.

What Will It Take?

**What will it take?
For us to realize
The battle we fight is spiritual
What will it take to open our eyes?**

**What will it take?
For us to know that the devil is real
That he desires to destroy us
And to keep us from what God wants to reveal?**

**What will it take?
For us to return to God with all of our heart
And acknowledge Him alone
So that the Holy Spirit may do His part**

**What will it take?
Must we loose everything?
To see the eternal things
That Jesus alone can bring?**

**What will it take?
To see fear for what it does bring
It is just a demon spirit from the devil
To steal from us God's good things**

**What will it take?
Another anthrax scare?
For us to finally realize
That we have a loving God who cares?**

**What will it take?
Another 9/11?
To get us to the point
That we trust alone in Heaven?**

**What will it take?
To open up our eyes
That we may see all of satan's schemes
Which keep us in bondage and walking in devilish lies**

**What will it take?
That before God we will humble and pray
And learn to follow the Holy Spirit
That He may guide our way?**

**What will it take?
To get our focus away from self
And lay down our lives for others
Instead of putting them, on a shelf?**

**What will it take?
That church we will no longer play
So that Jesus may come and visit us in His glory
And the Holy Spirit, whom has knocked, may have His way?**

**What will it take?
For us to turn loose of the money God did give
And use it for God's kingdom
And help others to eat, minister, or to live?**

**What will it take?
Only God knows this truth
Yet I pray the answers come soon
Since I know it is not God's will for His church to lose**

**What will it take?
To wake us from our passive slumber?
And take up our weapons of war
And the gates of hell, plunder**

**What will it take?
For the church to stand and fight?
And do war in the heavenlies
In God's power and might?**

**What will it take?
For us to enter in, what will be our cost?
Jesus has already been nailed and crucified
He already sacrificed His life for us on the Cross**

**Since He paid the price
All we need to do is acknowledge Him and walk by faith
And allow Him to be our Lord
That He may intervene in the human race.**

When I Speak the Name of Jesus

**When I speak the Name of Jesus
In Godly authority
The demons of hell tremble
For they know that they must flee**

**When I speak the Name of Jesus
Over the sick and the lame
They will get well
They will walk again**

**When I speak the Name of Jesus
Over the circumstances of life
Peace will always come
There will be and end to all my strife**

**When I speak the Name of Jesus
To the rulers and principalities
They must come down from the throne
That they have set up in the heavenlies**

**When I speak the Name of Jesus
The raging seas will calm
The water cannot over flow me
Because my Jesus will come**

**When I speak the Name of Jesus
Through the power of the Holy Spirit
Things will always happen
As demons will run, as they fear it**

**At the Name of Jesus
Every knee shall bow
Of things in Heaven, earth, and under earth
So it is time to speak the Name of Jesus, Now!**

The Spiritual Fight

**Our fight was not against Bin Laden
As the man by the enemy is deceived
He is following a false prophet
And in his lies, he has believed**

**Though his sin was very grievous
Appearing worse than yours or mine
Sin is still of the devil
No matter the extent, it just makes the people, blind**

**If sin is of the devil
Than what really is our fight?
The only way to eliminate sin
Is by the Blood of Jesus, and a spiritual fight**

**Yes, we went and killed him
But that spirit will still go on
And capture another sin sick person
So the problem is never gone**

**We just can not kill
All the people that have sin
There wouldn't be a church
The world would have to end**

**Jesus said "He that is without sin"
"Let him cast the first stone"
We needed to seek the blood of Jesus
For his sins, to atone**

**I know that this may not be popular
But as Christians, we must walk in love
And pray for and forgive others
And let vengeance, come from above**

**God's Word said that we do not wrestle
Against flesh and blood
So our fight was not against Bin Laden
We needed a spiritual flood**

**God said He would take care of our enemies
But our fight must be of Him
We need to deal with the spirits
So that people can repent from their sin**

**Many people are bound
And have eyes that do not see
As satan has blocked their vision
So in God's spirit, they are not free**

**Jesus came to give life, abundantly
The devil came to kill, and steal, and destroy
So if we go kill a person with sin
We just gave in to satan's ploy**

**There is nothing that, the enemy would like better
Than for us to kill a lost soul
For this is one less, for God's kingdom
And one less for the Book of Life, role**

**We do not understand that
God would want him in heaven above
But there is not one person
Outside the extent of God's love**

**Jesus died for all
Not just you and me
He even died for Bin Laden
To be saved and be free**

**I don't know about you
But God, I will not play
And go and kill a soul
For thou shalt not kill, my God, did say**

**Two wrongs never make a right
Though through our pain it appears what should be
But remember we can't really win
Unless we pull down the strongholds, of the enemy**

**I wonder what would happen
If all were on their knees
Crying out to God for his power and mercy
To come and crush, the real enemy.**

Scripture Reference

**Eph 6:12 For we wrestle not against flesh and blood, but against
principalities, against powers, against the rulers of the darkness of this
world, against spiritual wickedness in high places.**

Our Weapons of War

**No weapon formed against us shall prosper
Because the Word said it, then it is true
It doesn't say the weapon will not be formed
But it says that it will not prosper against you**

**When we take up the shield of faith
We quench all of the enemies' fiery darts
So a key to winning against the devils wiles
Is to believe God's Word down deep in our hearts**

**The enemy will always attack
Especially after a victory we did gain
His job is to steal, kill and destroy
So on a victory parade he will try to rain**

**The enemy always attacks our mind
He tries to plant a lie
If we don't know what God's Word says
Then on what truth can we rely?**

**The devil has already been defeated
As Jesus took away the keys
To death, hell, and the grave
So in this, we must stand and believe**

**The devil only has power against us
When we fail to believe what God said
He always tries to convince us of a lie
His method is to play with our head**

**God did not give to us a spirit of fear
But a spirit of love, power and a sound mind
If the enemy can come and steal our goods
Then in God's power we can never shine**

**We do not wrestle against flesh and blood
But against rulers of darkness and principalities
We must deal with the spirits over a place
If we are to see the people be set free**

**There are many spirits in the heavenlies
That will rule over many a town
The key is allowing the Holy Spirit
To use us to pull the stronghold of the enemy down**

**God said that the weapons of our warfare are not carnal
They are in the power of the Holy Spirit's might
We must pull down the strongholds of the enemy
And prepare the way for God's light**

**We have the Name of Jesus
The Name that is above every name
We have the power of the Holy Spirit
The power that was in Jesus, yes the same**

**We have the sword of the Spirit
When we listen to the words the Holy Spirit does speak
When we obediently act at His command
All the devil can do is flee**

**It is the anointing that will break the yoke
No, it is not by our might or power
It is the anointing of the Holy Spirit working through us
That will defeat all the enemy's ploys, in this hour**

**If we do not take up our weapons of war
Then we will never win a fight
Evil will conquer over good
Wrong will win over right**

**Jesus gave to us the keys to His kingdom
But these keys we must take up and use
If we don't as a church take up our weapons of war
Then this battle we are going to lose**

**We must prepare the way of the Lord
And deal with the spirits in the heavenlies
We must rid ourselves of imaginations
Which have kept us bound spiritually**

**With the highway between our spirit and Heaven
Free of all that would hinder or impede
The will and blessings of God
Can come to all supernaturally.**

Scripture References

Isa 54:17 No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the LORD, and their righteousness is of me, saith the LORD.

Isa 10:27 And it shall come to pass in that day, that his burden shall be taken away from off thy shoulder, and his yoke from off thy neck, and the yoke shall be destroyed because of the anointing.

Isa 40:3 The voice of him that crieth in the wilderness, Prepare ye the way of the LORD, make straight in the desert a highway for our God.

Isa 57:14 And shall say, Cast ye up, cast ye up, prepare the way, take up the stumbling block out of the way of my people.

Wounded Warriors

**The battle is tough sometimes
At times we see our comrades' fall
Some give their life
Just answer God's call**

**Others are wounded
And are deeply in pain
Do we just let them lay there?
Or do we help them to stand again?**

**Do we lecture and say
All the things that they did wrong
If you had only done this
You would still be standing strong**

**Or do we go to them in love
A harsh word we never say
And cover their wounds
And help them once again to find their way**

**Do we go to Jesus
And intercede on their behalf
And seek the answers
So that they once again may laugh**

**We need all of our warriors
To fight this battle we fight
Sure maybe some walk wrong
Yet, they only can walk in what they know, is right**

**To come at them with your sword
And more wounds to them inflict
Puts you in the enemy camp
We are called to heal; not others make sick**

**I wonder that if
We saw Jesus sitting in the room
Would our words change
Would we be so fast to inflict a wound?**

**We are called to restore in love
All the hurting souls
By laying down our lives for them
Till the spirits and sickness goes**

**Next time you see a brother
That God has used in your life
Admit that he has a problem somewhere
Will you condemn and judge or help him make it right?**

**There are many wounded warriors
That man has cast aside
Instead of restoring them in love
We've pushed them away to die.**

Scripture References

Lu 6:37 Judge not, and ye shall not be judged: condemn not, and ye shall not be condemned: forgive, and ye shall be forgiven:

Ro 14:13 Let us not therefore judge one another any more: but judge this rather, that no man put a stumbling block or an occasion to fall in his brother's way.

Arise O Church

**Arise O Church
Heed God's call
It is time to awake
For at stake, is all**

**Arise O Church
To war, it is the time
The enemy is fighting
We can no longer be, on the sideline**

**Arise O Church
It's time to pray
It is time the church
Ruled the day**

**Arise O Church
It is time to reclaim
All that the enemy has stolen
We must take it back, in Jesus Name**

**Arise O Church
And take up your shield of faith
And quench all the fiery darts
For satan, no more will we take**

**Arise O Church
Let's make a stand
Let's fight God's way
With an anointed, spiritual hand**

**Arise O Church
Put off your complacency
There is a real war going on
And real, is the enemy**

**Arise O Church
It is time to walk in God's power
And storm the gates of hell
For victory in this hour**

**Arise O Church
And win souls to Christ
For God's Word said
He that doeth this, is wise**

**Arise O Church
Put off all of your fear
As the coming of our Lord
Is getting very, very near.**

Final Words

I hope that from reading these poems that a new desire will come into your heart and spirit to stand up and fight. For too long most of the Church has been silent. We are in a spiritual war that will take spiritual weapons to fight and win. For too long we have used carnal weapons to fight a spiritual war. It is obvious that this has not worked. God did not call us more than conquerors to lose.

I pray that the Holy Spirit will open many eyes and that the blinders will come off as many enter in as intercessors and warriors to drive back the forces of hell that have for too long been killing, stealing, and destroying God's people.

2 Cor 10:5 says, the weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds.

Eph 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

It is time Church, to find out what God meant and start using the spiritual weapons that Jesus made available to us through the Holy Spirit!
